

Service Technician – HVAC

San Diego County

DMG Corporation is a regional, independent sales agency for premier HVAC equipment representing engineered products designed and customized to meet our customer's specific needs. Distinguished company with excellent benefit package, including paid time off, paid holidays and top tier medical, dental & vision coverage options available. Headquartered in Orange, California we're growing and looking for talented, dedicated people to join our Team.

We have an immediate opening for a full-time HVAC Service Technician for our new DMG Service & Control Division. This position will be based out of our DMG – San Diego Sales Office and will provide service throughout the greater San Diego County area. A DMG service van and all applicable equipment is provided.

Duties and Responsibilities to include:

- Promote goodwill with customers who own, purchase, or specify DMG equipment and ensure their customer experience is positive.
- Perform inspections of DMG equipment prior to start-up and commissioning to verify equipment is installed correctly and in accordance with manufacture's installation instructions.
- Counsel contractor customers who install DMG equipment incorrectly on proper install.
- Startup and commission DMG equipment.
- Train end users on the proper operation and maintenance of DMG equipment.
- Initiate and follow through with warranty claims on DMG equipment, which may entail diagnosis and repair at job sites.
- Trouble shoot and resolve controls and start up issues in the field.
- Be the technical expert on all DMG equipment.
- Maintaining good working relationships with DMG Sales Engineers and customers through verbal and written correspondence

Required Certifications

EPA Universal Section 608
R410a Certification
